Becoming a Corporate Partner:

Local businesses are the backbone of Pembroke Pines and our surrounding cities. The Support Our Schools (SOS) campaign offers local businesses and corporations alike an opportunity to positively affect the lives of the children in our community. The Pembroke Pines Charter School System has a total enrollment just under 6,000 students and over 3,200 families. Becoming a corporate partner not only enhances your company image by showing support of the children in the Pembroke Pines Charter Schools, it also offers your business a distinct marketing and competitive advantage by creating positive publicity and heightened visibility of your products and services to our charter school families and employees, as well as vehicle traffic.

Pembroke Pines Charter School Foundation Inc. Incorporated in January 2004, as a 501(c)(3) charitable organization, the Pembroke Pines Charter School Foundation, Inc. had a goal to establish a \$1 million endowment to provide senior scholarships, teacher reimbursement for advanced degrees, and employee of the year awards for instructional and non-instructional employees. In 2011, the Foundation revised the Articles of Incorporation to allow financial contributions to our charter schools. The change has allowed the Foundation to use money raised through SOS fundraisers and donations from the community to directly support the education of our students. Due to the Foundation's status as a 501(c)(3) charitable organization, any contribution to SOS is a tax deductible donation.

We are thankful to all of the volunteers, families, and businesses that have helped us through the years. If not for their efforts, none of our accomplishments would have been possible. We look forward to you becoming a corporate partner.
