What have we been up to?

Greetings! As we begin to wrap up the school year, we would like to take the opportunity to thank all of our charter school parents, guardians and school staff for their support of our charter schools! Our budget goal this year for our SOS Fundraising events was \$50,000, and we are excited to say that with your help we have surpassed that goal with a current count of \$57,811.66—way to go everyone! To date, we have collected \$41,379.01 in parent donations out of the \$49,865.81 pledged. For this school year, we asked parents to pledge \$250 per household, and are offering several options on which parents can fulfill their commitment. Please join Pembroke Pines Charter School Foundation and help make our goal before the school year ends, every penny of your donation goes directly into raising the quality of education for our charter students. We thank you for your support!
