

MAYOR FRANK C. ORTIS' PERSONAL INVITATION

Dear Student, Parent,
Participant:

On Friday, December
11th, 2016, I will host a
game show fundraiser,
"Can We Make a Deal?"

This event will raise
money to help support the Pembroke
Pines Charter School Foundation, Inc.
(PPCSF).

The PPCSF is a non-profit organization
that directly provides financial support to
the best municipally-run Charter School
system and also provides its students and
teachers educational scholarships.

Despite limited resources due to reduced
educational funding, the Pembroke Pines
Charter Elementary and Middle Schools
have earned an "A" rating for student
achievement for 14 consecutive years, and
the Academic Village Charter High School
is considered one of the best high schools
in the nation. We need the support and
patronage of our business and PPCS com-
munities to help us continuously deliver to
our children an award winning education.

Come join and support us as the Charter
School students and I put on what promis-
es to be a fun and entertaining

Sincerely,
Mayor Frank C. Ortis
City of Pembroke Pines

WHAT IS "CAN WE MAKE A DEAL?" AND HOW DO I PLAY?

"Can We Make A Deal?" is a live game show that
works as a fundraiser to benefit the Pembroke
Pines Charter School Foundation.

- Three (3) separate games will be played.
- On the night of the event, each ticket redeemed will be entered into a raffle to determine who will play "Can We Make a Deal?"
- From the raffle, 3 participants will be chosen to play the game and win a major prize.
- Contestant will be allowed 2 support members on stage to provide guidance during the game.
- Each game is played with 26 cases, each containing point values ranging from 1 to 5,000 points.
- The object of the game is to end the game with the highest point value possible.
- Without knowing the amount in each case, the contestant will pick one of the cases to keep.
- The player will then eliminate the remaining 25 cases, by opening the case and revealing the points inside. In each round a pre-determined number of cases will be opened.
- Then "The Banker" will give the participant an offer of points in exchange for what might be contained in the contestant's chosen case, prompting the Mayor to ask the all-important question, "Can we make a Deal?"
- As each case is opened, the likelihood of the player having a valuable amount of points in his or her own case decreases or increases, which will also change the Banker's offer.
- After 3 individual contestants play their individual game, the contestant with the most points will have first pick of the major prizes.
- Many other prizes donated to and/or purchased by the Foundation will also be awarded from the raffle.

IMPORTANT!

- Ticket holders must be present to win.
- All contestants must be at least 15 years of age to participate.
- **NO PURCHASE NECESSARY.**
- Rules & Additional info can be found on www.ppcsf.org
